

## BillXperts.com Affiliate Program

### Thanks for your interest in our Affiliate Program!

Attached are details about the BillXperts.com Affiliate Program, a program meant to be **mutually beneficial**.

The concept is pretty simple: you promote BillXperts.com and **we'll pay you \$10** in return for each referral.

### What is BillXperts.com?

BillXperts.com is the U.S. leader in bill negotiation. Our team is dedicated to saving people money on their monthly bills (internet, phone, cable...) by negotiating with their service providers.

When our customers sign up on our website, they send us a copy of their bills.

Our team of Bill Experts analyzes these bills and negotiates with their service providers to get discounts.

There is **no upfront cost for our customers**: we split the savings with them 50/50. If we cannot save our customers any money, then there is no charge to them.

### How does the BillXperts.com Affiliate Program work?

The BillXperts.com Affiliate Program is open to all U.S. residents and U.S. website owners.

Each time you refer someone to us and we save money to this person, we'll pay you \$10.

In order to track how many customers each affiliate sends us, a Custom Affiliate Link will be provided to you. This is your own link, and you must use it to promote BillXperts.com to claim credit for your referrals.

Alternatively, your referrals may enter your name in the "Tell us how you heard about us" field of our Sign up form.

### How much money can you get?

There is no maximum to the amount of money you could make.

The more referrals you send us, the more you will get paid.

Each time you refer someone to us, we'll pay you \$10. Refer us to 10 people, and we'll pay you \$100.

### What is considered a Referral?

To be considered a referral and to make you eligible for the \$10 payment, all of the following conditions must be met:

- The person you refer must fill in the Sign Up Form on our website, providing all required information and bills
- The person you refer to us must land on our website using the Custom Affiliate Link that we emailed you when you enrolled in the Affiliate Program. Alternatively, the person may enter the Affiliate's full name in the "Tell us how you heard about us" field of our Sign up form.
